

STABLE AND AFFORDABLE

The Housing Network of Ontario invites you to attend an
**ALL-DAY LEADERSHIP FORUM
AND HOUSING SUMMIT**

**Monday, November 30th
Metro Central YMCA, Toronto, Ontario
9:30am-3pm**

This summer the provincial government asked Ontarians what a long-term affordable housing strategy should look like. And everywhere across Ontario, people raised their voices in support of a fully-funded and comprehensive long-term plan that will meaningfully address the housing crisis in our communities.

Come together with other housing advocates and activists to discuss the next steps in our work to ensure that everyone in Ontario has the right to live poverty-free, with dignity in housing that is stable, adequate, equitably accessible and affordable.

Please contact Brian Eng if you require a travel or accommodation subsidy. We are striving to ensure the attendance of as many low-income housing advocates from outside Toronto as possible.

We look forward to seeing you on November 30th!
